45 I think it would be a good plan to post the Probationary Assistant Commissioners now under training to work as Food Assistants to Deputy Commissioners, or as Additional Food Assistants in some of the heavy districts Besides giving these young officers a unique opportunity of doing work that would bring them into touch with peasants and holdings and crops and some insight into rural life and economics, it would provide the Deputy Commissioners

and the Food Department with personnel which, though inexperienced, would be thoroughly honest and full of enthusiasm,-- qualities of very great value in food work..

46 This would no doubt involve a contraction or a postponement of their regular course of training; but while ~~their~~ their normal training can be given to them at any time, they might never get so ~~favourable~~ unprecedented an opportunity of learning and doing work of the kind now proposed.

47 If the idea is accepted, the actual postings could be made immediately after the next Departmental Examination is over. Some of the men now working as Food Assistants in the Districts are reported to be little use, and could be reverted or posted to routine duties.

Commrs. may be asked to undergo a training as Magistrates, 3rd class and 2nd class for at least a period of three months. The nine Proby.Asst. Commrs. referred to in the ~~office~~ R.O. letter were entertained in April 1943, except in the case of two who were entertained two months earlier and all these probationers are due to be confirmed in April and Feby. 1945. During this period they are expected to pass departmental service examinations in Revenue, Criminal and Accounts. All these probationers have undergone some of the items of training as noted in para 2 of the Rev. Commr's letter and they are yet to undergo training in magistracy. They are also to be placed in independent charge of a Taluk and ~~also~~ to undergo Treasury training. According to the cours of training prescribed at present, it will take 11 months for these probationers if they are to undergo all these items for the scheduled period; but as there is not much time left before they are confirmed early in 1945, it is now suggested by the Rev. Commr. that these Probationers may be asked to undergo training in magistracy for at leas a period of three months.

The fact that some of these officers are now holding regular charges is not likely to interfere in their undergoing training as magistrates also. The Dist. Magistrates may, therefore, be instructed to take further action in the matter so that these probationers would complete their training in magistracy before they are confirmed.

Their next item of training as per Government order of April 1941 is Taluk Office training for one month.

The next batch of Probationary Assistant Commissioners appointed in April 1943 and who are undergoing training in the District and Sub Division Offices in the several districts complete their training by about the 19th of this month . Their next item of training is training in Treasury work for 2 months.

The Revenue Probationers appointed in Government order No.36-41/C.B. 17-43-1 dated 6th July 1943,have been now undergoing Taluk office training for a period of 3 months and they will complete it by about the 15th October 1943.

It is usual to post the Probationary Assistant Commissioners for Survey training (which is to be given in the Head office at Bangalore for 2 months), along with the Amildars (Service men) and Revenue Probationers. In order to facilitate the giving of Survey training to both the Probationary Assistant Commissioners and Probationary Amildars at one time, I propose that all the nine Probationary Assistant Commissioners may be posted for training in Elementary Engineering for a period of 3 months, as the next item of their training. He may be posted to Mysore District and Mr.M. Sriranga-rajan, who is now under training in Mysore District, may be posted to Bangalore District.

I request that the above proposals may be approved. On receipt of orders of Government, I shall address the Chief Engineer on the subject.

To

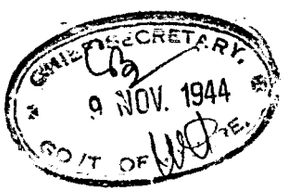
No. 1840
9/11/44.

Sir,



Subject:- Probationary Assistant Commissioners - Further training of -

I have the honour to invite reference to your letter No. 3764/C.B.165-43-1 dated 11th April 1944, directing that the several Probationary Assistant Commissioners may be posted for the Taluk Office Training for one month in the Districts noted against each of them as noted in the margin. On completion of the above training postings to the regular charges were made as noted below:-

Messrs:	
1. C.K. Ramanatha Rao	Bangalore
2. M.A. Sreerangarajan	Mysore
3. N.S. Ramachandra	Kolar
4. D.J. Balaraj	Kadur
5. M. Viraraj Urs	Mandya
6. M.H. Parthasarathy	Chitaldrug
7. M.D. Shivanajappa	Tumkur
8. Mahomed Sirajudin Meccai	Shimoga
9. Y.C. Hombaliah	Hassan

i) Mr. C.K. Ramanatha Rao - Food Assistant to the Deputy Commissioner, Bangalore.

ii) " D.J. Balaraj - District Treasury Officer, Chickmagalur.

iii) " M. Viraraj Urs - District Treasury Officer, Mandya.

iv) " M.H. Parthasarathy - District Treasury Officer, Chitaldrug.

v) " Mahomed Sirajudin Meccai - Personal Assistant to the Deputy Commissioner, Shimoga.

The other Probationary Assistant Commissioners were continued in the respective Districts as Additional Assistants to the Deputy Commissioners. All the above Probationers are being continued as such pending further orders about modifying the present course of training.

2. All the Probationary Assistant Commissioners have so far had training as noted in the margin. In addition to this Messrs C.K. Ramanatha Rao and M.A. Srirangarajan have had training in Treasury Work also

	Months.
i) Training in the District and Sub Division Office.	3
ii) Engineering Training.	3
iii) Survey Training.	2
iv) Accounts Training.	4
v) Taluk Office Training.	1
	13

P.T.O.

also for a period of 2 months. The next course of training prescribed for these Probationers under the existing orders is noted below:-

		Months.
i)	Training as III Class Magistrate for ...	2
ii)	Training as II Class Magistrate for ...	4
iii)	Independent charge of a Taluk for ...	3
iv)	Treasury Training for ...	2
	Total	11

3. I think that the Training as Magistrates, both III Class and II Class, for about 6 months is quite essential for these Probationers before they could be posted to regular charges. Messrs M.A. Srirangarajan and C.K. Ramanatha Rao complete the period of two years of their probationary period by about the middle of February 1945 and the other Probationers by about the middle of April. Before they complete the period of probation and are eligible to be confirmed as Assistant Commissioners, it is very necessary that they should complete the Magisterial Training.

4. In these circumstances I venture to suggest that all the Probationary Assistant Commissioners may be asked to undergo the training as Magistrate, III Class, and as Magistrate II Class, for at least a period of 3 months in the respective Districts to which they have now been attached.

I have the honour to be,
Sir,
Your most obedient servant,

Revenue Commissioner.
